

Cari Bambini,

le vostre maestre, anche se distanti, pensano a voi sempre! Mai come in questo momento mancano i vostri baci, i vostri abbracci e tutto l'affetto che sapete dare con tanta spontaneità, ma soprattutto manca quella genuina vivacità che spesso contraddistingue la nostra classe. Stiamo tutti affrontando una battaglia contro un nemico invisibile che vinceremo, allora si potrà tornare a scuola e il riabbracciarvi sarà per tutti una gioia grandissima.

Adesso dobbiamo avere solo un po' di pazienza... Un grande abbraccio e a presto!
Le vostre affezionatissime maestre!

Leggere almeno tre volte le pagine 40, 106 e 108 del Libro rosso e si ripete quanto già scritto per la scorsa settimana: "Approfitta di questi giorni per dedicarti alla lettura, rinforzandola il più possibile, attraverso libri, libretti o fumetti che più ti piacciono. Completa le schede in allegato (una al giorno) e se non hai la possibilità di scaricare le schede (di italiano e di matematica) puoi riprodurle sul tuo quaderno."
