Mary 's holidays

Great! This week I'm on holiday at the seaside.

I never (mai) get up before nine o'clock, then I have breakfast at half past nine.

After breakfast I go to the beach with my parents (genitori) and my brother

Thomas. At the beach I meet my friends.I play the games with them and I have a swim. I have lunch at home at half past one. It is usually (di solito) a light lunch because in the afternoon I go to the beach again (ancora).

I play beach volleyball with my friends all afternoon long.

I have dinner at about eight. In the evening I listen to music with some friends, then I go to bed before midnight.

Happy Easter to you and your family!!!
